The 2009-2010 season is one of Magnificent Moves!

Our patrons will be the first to experience a live dance performance at the newest theater in Charlotte, the Knight Theater. To celebrate the move, I've put together a Company of talented dancers, enlisted exceptional choreographers and built a diverse repertoire that I know you will enjoy.

This historic season also includes the Company's move into the Patricia McBride & Jean-Pierre Bonnefoux Center for Dance in Uptown Charlotte. In spring 2010, the Center becomes home to our rehearsal studios, administrative offices and the School of Dance. Capping off the season in June, the Company performs for a national audience at the prestigious Kennedy Center in Washington, DC.

Be part of the excitement and enjoy super savings as a subscriber. Look to the right to learn more about our thrilling performances, then use the following pages to choose the subscription package that's right for you.

I invite you to become a season subscriber and join this season of Magnificent Moves!
