

Capturing Creativity Curriculum Units

North Carolina Dance Theatre’s revolutionary Capturing Creativity curriculum units provide teachers with an innovative tool for exploring contemporary and classical repertoire by analyzing concrete, tangible examples of work as it is being created or staged. Each unit includes a 100-page book of 10-12 lesson plans, teacher notes, and assessments and a video of examples from rehearsal and performance, which correlates with the lessons.

Curriculum Unit	Cost per Unit	# Units	Total Cost
Energy: The Texture in Between Alonzo King’s Dreamer	\$100		
Preserving Legacy: The Bells Salvatore Aiello	\$100		
Cinderella: Linking Past to Present Jean-Pierre Bonnefoux	\$100		
Forward Moves: On the Verge Dwight Rhoden	\$100		

Total amount due:

Payment must be received before units can be shipped. We are able to accept school district purchase orders, checks, or credit card payment. For additional information, please contact April Berry at 704.372.0101 x2767.
